Who We Are

At Golden Palm Foods, we are more than a food brand—we are a family honoring our heritage and inviting others to experience it with us. Every purchase connects you to a story that began in a small home kitchen and now reaches tables across the country, with a vision to bring these flavors to even more homes in the future.

Our Mission

Golden Palm Foods exists to make West African food accessible, recognized, and celebrated in U.S. grocery stores. We are committed to sharing authentic flavors while supporting the smallholder farmers and market women in West Africa who make our products possible. By partnering directly with these producers, we create economic opportunities at home while delivering high-quality, unrefined ingredients to your kitchen. From our rich palm oil to our bold spice blends, we provide simple, flavorful ways to enjoy the vibrant culinary traditions of West Africa.

Our Vision

Golden Palm Foods envisions a future where West African flavors are a celebrated staple in kitchens everywhere. Our products offer a taste of home, a bridge to heritage, and an invitation to explore bold, global flavors. We believe great food connects people, and West Africa has a story worth sharing. Our goal is to bring that story to grocery shelves nationwide so everyone can experience the tastes and traditions that make West African cuisine truly special.
